# Lab 5 Completion Checklist

[ ] Opened the supplied UiPath project and restored dependencies.

[ ] Inspected both CSV and Excel mock data before editing the workflow.

[ ] Completed the procedure in README.md / the Learner Guide.

[ ] Tested the normal path with the supplied records.

[ ] Tested at least one alternate or exception path.

[ ] Confirmed: All six invoices receive the expected status, Valid totals calculate correctly, and the Summary counts reconcile to six input rows.

[ ] Saved: output/invoice-reconciliation.xlsx with Results and Summary sheets.

[ ] Removed passwords, access tokens and real personal data from evidence.
